Summer 2021

Save the Date - Guest Event 13th October

Hello

Summer is well under way and the team have been back at work since April, It's been lovely seeing many of you return to the salon environment. The team have been exceptional in the last few months and have worked tirelessly to accommodate guests as quickly as possible, over the next few weeks the team are taking well deserved holidays. We encourage you to plan and book ahead where possible as many of the team are booked up weeks in advance especially at the weekends, many colour services are taking longer due to results required and can take up to 5 or 6 hours especially if your having a colour change. We do have a standby list that you can be added to as we often get cancellation appointments at short notice. The recommend time for a Cut & Style is every 6 weeks to maintain your current hairstyle any longer than this your hair may become difficult to manage and lose shape.

If you have not yet booked an appointment you can book via the website www.keithgrahamhairdressing.co.uk or call the salon 01843290701. The online booking system requires a 50% deposit on all services, which is something we may move towards on all future bookings.

The government has relaxed many restrictions, as a company we are keeping current measures in place to help reduce the risk and maintain safety in the salon for our team and guests. We are continuing to wear face masks due to being in close contact with you and encourage you to wear yours when coming to the salon for appointments. Each guest will still be seated at alternate styling stations and the current cleaning regime will remain in place and hand sanitiser will be available for you to use.

New products - The Olaplex system has expanded the take home collection with a pre shampoo bond building hair treatment No 0 and post shampoo intense moisture mask No8, all Olaplex products are Vegan too.

The Paul Mitchell colour range has introduced new colours giving more choice in the Demi with a translucent finish perfect for toning and refreshing your existing colour. Covering grey hair has improved with the addition of Colour XG Coversmart designed for those resistant grey hairs giving you 100% coverage with natural looking results.

We continue to work with sustainable brands within the salon that care about the planet, Paul Mitchell is a pioneer in Cruelty free hair care with no animal testing and a mission to reduce plastic waste, reduce carbon footprint, be sustainable with ethical sourcing and minimise landfill. Many of the products are Vegan & gluten free too.

Ghd Cordless styler with dual zone technology for sleek shiny results is available with 20 minute styling time and usb chargeable available in black or white, great for styling on the move.

Team News - We welcome Eloise to the team as Future Professional as she starts her journey with us to become a hairdresser, Harvie is transitioning to work with guests and has completed her colour and cutting units, we need two models for perming as she prepares for the end point assessment. Alesha has completed and passed N.V.Q.level 2 in Hairdressing, we wish her well for the future as she has decided move into the care sector. Ocean continues to lead the training with the future professionals and will soon complete the assessor award. Callum is making some changes to his role within the salon and reducing his time on hair services to become part of the salon coordination team and from September Stephanie will be working an additional day.

Guest Event - Save The date - on 13th October we will be holding our first guest event for a few years and your invited, the event is supported by GHD and will showcase the new cordless styler and limited edition gift sets, this will be an opportunity for you to try products and tools, socialise and chat to your designer and get inspired with gifts for the silly season!

Allergy Alert Test - If you are requiring a colour service it will be necessary to skin test you 48 hours prior to your appointment as it is now past 3 months since we have applied colour for you, this follows manufacture instructions and protocol, complies with our insurance policy and Health & Safety. You will need to book a time slot for the skin test.

Thank you for taking the time to read this information, the team & I are looking forward to seeing you again soon and welcoming back to Keith Graham Hairdressing.

Kind

Regards

Harvey & the Team at Keith Graham Hairdressing
