December 2020

Hello

Firstly I would like to wish you and your family a Merry Christmas & Happy New Year and trust that you have remained safe & well during a year none of us expected. I'm sure you are aware that the South East has moved into tier 4 which means that we have to close and are unable to perform close contact services until further notice. The team and I are truly devastated that this has come with immediate effect at what is a lovely time of year to be working in the salon and for those guests who will miss their appointments in the run up to the festive season & New Year.

When we are allowed to open in 2021 I want to reassure you that we will remain covid safe & secure with all team continuing to wear the recommended PPE for close contact services, vigorous cleaning procedures before and after every guest with a maximum of 5 guests in at any one time to keep social distancing between you all.

I will start a booking list to contact you for appointments when we reopen, you will automatically be added to this if you have an appointment cancelled due to Covid-19, if you would like to be added for a future appointment please email team@keithgrahamhairdressing.co.uk with the service you would like and I will add you to the list. The online booking system is now unavailable until a date is given for reopening.
